

## Seller / Landlord

Omni believes that every property deserves a customized marketing approach. Through the use of multiple marketing tools and methods, we design an approach for your property which determines the potential value and provides the appropriate exposure. We work with clients through the entire process to ensure that every detail receives the needed attention. With our online exposure, your property will be listed in multiple online listing sites.

## Buyer / Tenant

Understanding the needs of each Seller, Buyer or Tenant provides Omni the opportunity to develop effective real estate solutions. Omni combines the needs of each Seller, Buyer or Tenant with our market understanding and financial knowledge to guide our clients through the real estate process and find the best solution to their needs.
